Roommate Selections: Per the FAQ section regarding preferred roommate selection process - If camper A requested camper B, and camper B requests camper A then they will absolutely be roomed together in the same room. If you requested two (2) or more (3+) then they will be roomed in the same suite, e.g. they will share a wall and be extremely close to each other. In the instance of three campers, two will be roomed together and the third will be next door, but may have a new roommate based on similar age. We apologize for share incorrect information concerning the roommate selection numbers.

However, there was never to be a confirmation email sent out that would have confirmed these selections. Requests that are strange in nature may certainly warrant an email to clarify, but want to take a moment to let you know that is not something we would get in the business of due to time. To repeat, if a request was submitted as listed above and on the FAQ section they be guaranteed to be together, provided all campers involved still attended camp.

Commuter Campers: Commuter campers should also report to check-in on Day 1 from 2:00-2:45pm (however, this is not a mandate) at Gooch Dillard (follow Map). The remaining days commuters should be dropped off at the Aquatic & Fitness Center no later than 8:50am after having something adequate for breakfast (450 Whitehead Road, Charlottesville, VA 22904). Even though there are multiple gyms being used all campers will report to AFC before each session. Parents may pick up in the evenings from the specific gym your daughter is in by contacting her between 9:05-9:15pm on Days 1, 2, and 3 after she checks out with the coaching staff. Day 4 you may leave directly from AFC after checking out with the Coaching staff.

Meals: All meals will be served in Observatory Hill Dining Hall (O-Hill). We will not be the only guests using this space, and it is only open during certain times. Please let the camp director know, Homeyer.2@virginia.edu if you have any special dietary needs that cannot be met by this dining facility. Meals are provided for Overnight Campers starting with Dinner on Day 1 through Breakfast on Day 4. All commuter campers receive lunch and dinner starting with dinner on Day 1 through dinner on Day 3.

Breakfast is not provided to commuter campers.

Out of State Campers (Flying): If you are flying into Charlottesville, we encourage you to use UBER®, LYFT®, or a cab service to get to Grounds. The Dorm address is Gooch Houses, Floyd Drive, Charlottesville, VA 22904. The Airport's address is 100 Bowen Loop #200, Charlottesville, VA 22911 for return trips from Grounds. Spectating: Parents and other spectators are welcome to watch the final session on Day 4. This session will run from 9:00-10:30am and will be a tournament format. In order to create a safe environment for our participants and spectators, parents should follow the instructions of Cavalier Volleyball Camps personnel and only watch the camp from the designated public areas. IF YOU MOVE A CHAIR TO SIT AND WATCH, PLEASE RETURN IT TO THE LOCATION YOU FOUND IT. Also, please use caution when standing at - or walking around - the athletic facilities during the course of the camp.

- **Dogs or other pets:** Animals, other than service pets, are not permitted in the facilities.
- **Supervise younger children:** Parents should closely supervise any children who accompany them to watch the event. Unsupervised children risk being injured during the course of the camp(s). Whether it's not putting in both ear-buds, so they are able to listen to their surroundings, or not being glued to their phones, you can never be too careful.
